

Let it Snow

The weather outside is frightful
But the fire is so delightful
Since we've no place to go
Let it snow, let it snow, let it snow
It doesn't show signs of stopping
And I brought some corn for popping
The lights are turned way down low
Let it snow, let it snow, let it snow

ALTO When we finally kiss goodnight
How I'll hate going out in the storm

SOPRANO But if you really hold me tight

TOGHETHER All the way home I'll be warm

The fire is slowly dying
And my dear, we're still goodbying
As long as you love me so
Let it snow, let it snow, let it snow

ALTO When we finally kiss goodnight
How I'll hate going out in the storm

SOPRANO But if you really hold me tight

TOGHETHER All the way home I'll be warm

The fire is slowly dying
And my dear, we're still goodbying
As long as you love me so
Let it snow, let it snow, let it snow

Let it Snow
