I come home in the morning light my mother says when you gonna live your life right	
	oh mother dear we're not the fortunate ones
and girls they want to have fun oh girls just want to have - fun	and girls they want to have fun oh girls just want to have - fun
The phone rings in the middle of the night my father yells what you gonna do with your life	
oh daddy dear you know you're still number one	oh daddy dear you know you're still number one
but girls they want to have fun oh girls just want to have	but girls they want to have fun oh girls just want to have
That's all they really want some fun when the working day is done oh girls, they want to have fun oh girls, they want to have fun	That's all they really want some fun when the working day is done oh girls, they want to have fun oh girls, they want to have fun
- MUSICAL INTERLUDE -	
	Some boys take a beautiful girl and hide her away from the rest of the world
I want to be the one to walk in the sun... and girls they want to have fun oh girls just want to have	I want to be the one to walk in the sun... and girls they want to have fun oh girls just want to have
That's all they really want some fun when the working day is done oh girls, they want to have fun oh girls, just want to have...	That's all they really want some fun when the working day is done oh girls, they want to have fun oh girls, just want to have...
