

Where The Sun Don't Shine

In unison

In unison

You're now old, don't be bold
Don't be lively, don't be loud
Don't be seen, you old has-been
Don't dare stand out from the crowd
Do what's expected, do what's right
Stay at home, have early nights
Conform to the norm
Take up gardening, wrap up warm

You are old, don't be bold Don't be funny, don't be tanned Don't go there, don't do that Don't do anything unplanned Be vanilla, know your place Watch TV and slow the pace Don't be silly, don't do fashion And for God's sake, don't do passion	Don't be bold Don't go there Don't you do anything unplanned Ooh ooh ooh Ah. ah Don't be silly, don't do fashion And for God's sake, don't do passion
Don't be different, don't have fun Especially with the young You're a boomer, you've had a tumour You can't have a sense of humour	Don't be different, don't have fun Especially with the young You're a boomer, you've had a tumour You can't have a sense of humour
Don't you fight the stereotype Don't you try something new Don't be happy, don't be crazy Don't be fun, don't be you	Don't you fight the stereotype Don't you try something new Don't be happy, don't be crazy Don't be fun, don't be you
