

Hallelujah I just love her so

Ray Charles

Let me tell you 'bout a girl I know
She is my baby and she lives next door
Every mornin' 'fore the sun comes up
She brings me coffee in my favorite cup
That's why I know, yes, I know
Hallelujah, I just love her so

When I'm in trouble and I need a friend
I know she'll go with me until the end
Everybody asks me how I know
I smile at them and say, "She told me so"
That's why I know, oh, yes I know
Hallelujah, I just love her so

Now, if I call her on the telephone
And tell her that I'm all alone
By the time I count from one to four
ALTO- I hear her (KNOCK)
on my door
In the evening when the sun goes down
When there is nobody else around
She kisses me and she holds me tight
And tells me, Daddy everything's alright
That's why I know, oh, yes I know
Hallelujah, I just love her so

Now, if I call her on the telephone
And tell her that I'm all alone
By the time I count from one to four
ALTO- I hear her (KNOCK)
on my door

Hallelujah I just love her so

In the evening when the sun goes down
When there is nobody else around
She kisses me and she holds me tight
And tells me, Daddy everything's alright
That's why I know, oh, yes I know
Hallelujah, I just love her so

Oh Hallelujah, I just love her so
Oh oh uh oh oh Hallelujah, I just love her so
